The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**APPROVE MODEL MASTER AGREEMENT FOR
DNA LABORATORY SERVICES
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The Los Angeles County Sheriff's Department (Department) is seeking Board approval of a Model Master Agreement (Agreement) for DNA Laboratory Services (Services). The Department requires independent contractors to provide Services on an as-needed basis.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve the attached Agreement for Services for the term from December 2, 2013, through December 1, 2016, with an option to extend for four additional one-year periods for a total term not to exceed seven years.
2. Delegate authority to the Sheriff to execute master agreements substantially similar to the enclosed Agreement during the term, provided sufficient funding is available, and with the concurrence of Los Angeles County (County) Counsel.
3. Delegate authority to the Sheriff or his designee to execute Change Orders and Amendments to the master agreement(s) as set forth throughout the Agreement, including: (1) approve assignment of the master agreement(s) to a new contracting entity upon determining that such assignment is in the best interest of the County, and execute applicable documents when the original contracting entity has merged, been purchased, or otherwise changed; (2) modify the master agreement(s) to include new or revised standard County contract provisions adopted by the Board as required from time to time, including all applicable documents; (3) execute the extension options if it is in the best interest of the County.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will allow the Department to continue to obtain Services to assist the Department's Scientific Services Bureau's (SSB) DNA laboratory operation in screening evidence for biological fluids, contact DNA, and/or providing DNA analysis.

Although SSB is equipped to screen and test for DNA, SSB is not equipped to perform certain specialty tests nor to respond to time-sensitive court orders. Court orders occur when laboratory work may be outsourced to a specific contract laboratory designated by the court with consent from both counsels. Also, evidence may be sent to a mutually agreed upon contract laboratory when the defense counsel requests the laboratory work be witnessed by a third-party expert of their choosing.

Implementation of Strategic Plan Goals

The Services provided under the proposed Agreement support the County's Strategic Plan, Goal 1, Operational Effectiveness; and Goal 2, Fiscal Sustainability, by enabling the Department to continue to provide Services in support of SSB's DNA laboratory operation. The master agreement(s) will assist the Department in providing Services in a timely, and cost effective manner.

FISCAL IMPACT/FINANCING

The Department has identified funding in the amount of \$200,000 in the Fiscal Year 2013-14 operating budget. The Department will continue to allocate funds required to continue these services throughout the duration of the master agreement(s).

The total amount paid under the master agreement(s) will depend upon the services needed by the Department. In no event shall the maximum annual contract sum for all master agreement(s) combined exceed the sum allocated in the current fiscal year's operating budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Currently, there is an active Agreement that was approved by the Board on December 2, 2008, which will expire on December 1, 2013.

The Agreement was determined to be a Non-Proposition A Agreement due to the Services being highly-specialized in nature and used on an as-needed basis. The Living Wage Program (County code Chapter 2.2001) does not apply to the recommended Agreement.

The Agreement includes all County-required provisions, such as: jury service, safely surrendered baby, and defaulted property tax reduction.

County Counsel has reviewed and approved the Agreement.

Section 33.0, Background and Security Investigations of the Additional Terms and Conditions, of the Agreement, was customized according to the Services being provided, and in consultation with County Counsel.

CONTRACTING PROCESS

On August 27, 2013, the Department released a Request for Statement of Qualifications (RFSQ) to solicit Statements of Qualifications (SOQs) from vendors to provide Services. The Department notified five vendors via e-mail and three vendors via telephone of the release of the RFSQ. The RFSQ was posted on the County and Department websites. The initial SOQ due date was September 25, 2013.

The Department received five SOQs by the initial SOQ due date. An evaluation committee comprised of individuals from the Department reviewed and evaluated the SOQs. As a result of that review and evaluation, The Bode Technology Group, Cellmark Forensics, Incorporated, Sorenson Forensics, and Strand Analytical Laboratories were determined to be qualified for master agreement awards.

The RFSQ will remain open until the needs of the County are met.

It is the Department's intent to issue work orders to contractors on a competitive basis. Under special circumstances, the Department may issue non-competitive work orders. Special circumstances may include: specialty testing not performed by other qualified laboratories; court orders that identify a specific qualified laboratory; or prior screening, analysis, or casework already performed by a specific laboratory. Contractors will be selected to perform services based upon the needs of the County, as determined by the County, in its sole discretion.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the Agreement allows the Department to continue to receive Services.

CONCLUSION

Upon Board approval, please return two adopted copies of this Board letter to the Department's Contracts Unit.

No representative of either County or Contractor, including those named in this Master Agreement, is authorized to make any changes in any of the terms, obligations, or conditions of this Master Agreement, except through the procedures set forth in this Section 6, Change Orders and Amendments. - 7.4 Contractor shall notify the Department when this Master Agreement is within six (6) months from the expiration of the Term of this Master Agreement as provided for hereinabove. Upon occurrence of this event, Contractor shall send written notification to the County Project Director at the address herein provided in Subparagraph 3.1.1 of this Master Agreement.

Year Four) of this Master Agreement. Such fees shall be firm and fixed for the Term of this Master Agreement.

8.1.2 Contractor shall invoice County in accordance with the requirements of Section 10, Invoices and Payments, of this Master Agreement.

Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration or termination of this Master Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Master Agreement.

8.2.1 The Maximum Contract Sum under this Master Agreement shall be the total monetary amount that would be payable by County to Contractor for providing required Work under this Master Agreement for the Term of this Master Agreement, including all Option Terms.

Notwithstanding any other provision of this Master Agreement, either expressly or by implication, County shall not be obligated for Contractor's performance hereunder or by any provision of this Master Agreement during any of County's future fiscal years unless and until the Board appropriates funds for this Master Agreement in County's budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement shall terminate as of the expiration date of the current period for which funds were appropriated and such termination shall be deemed a termination for convenience pursuant to Section 6.0, Termination for Convenience, of Exhibit A, Additional Terms and Conditions, of this Master Agreement. County shall

endeavor to notify Contractor in writing of any such non-appropriation of funds at the earliest possible date.

- c. Department's or submitting Agency's File Number or other unique case identifier;
- d. Billing period;

- g. Total amount due; and
- h. Any additional supporting documentation and/or information reasonably requested by County.

10.3 Approval of Invoices

All invoices submitted by Contractor for payment must have the written approval of the County Project Manager, or County Project Director, as evidenced by the County Project Manager's, or County Project Director's countersignature, prior to any payment thereof. In no event shall County be liable or responsible for any payment prior to such written approval.

10.4 No Out-of-Pocket Expenses

Contractor acknowledges that out-of-pocket expenses, including travel, meal, and lodging expenses, are not reimbursable by County. Accordingly, Contractor's invoices shall not include out-of-pocket expenses.

10.5 Contractor Responsibility

Contractor is responsible for the accuracy of invoices submitted to County. Further, it is the responsibility of Contractor to reconcile or otherwise correct inaccuracies or inconsistencies in the invoices submitted by Contractor.

10.6 Invoice Discrepancy Report

The County Project Manager or designee shall review all invoices for any discrepancies and issue an Invoice Discrepancy Report (IDR) to Contractor within ten (10) calendar days of receipt of invoice if payment amounts are disputed. Contractor shall review the disputed charges and submit to the County Project Manager a written explanation detailing the basis for the charges within ten (10) calendar days of receipt of the IDR from the County Project Manager. If the County Project Manager does not receive a written response from Contractor within ten (10) calendar days of County's notice to Contractor of an IDR, then County payment will be made, less the disputed charges. None of this shall preclude County from seeking remedy from Contractor for discrepancies discovered at any time during the Term of this Master Agreement. A sample IDR form is attached to this Master Agreement as Exhibit J, Invoice Discrepancy Report.

10.7 County's Right to Withhold

In addition to any rights of County provided in this Master Agreement, or at law or in equity, County may, upon notice to Contractor, withhold payment for any Work while Contractor is in default hereunder, or at any time that Contractor has not provided County approved Work.

11. LIQUIDATED DAMAGES

11.1 If, in the judgment of the County Project Director, Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the County

Project Director, at such person's option, in addition to, or in lieu of, other remedies provided herein, may withhold future payments or deduct pro rata from future payments to Contractor for Work not performed. Information regarding the Work not performed and the amount to be withheld or deducted from future payments to the Contractor from County will be forwarded to Contractor by the County Project Director in a written notice describing the reasons for said action.

11.2 If the County Project Director determines that there are deficiencies in the performance of this Master Agreement that are correctable over a certain time span, the County Project Director will provide a written notice to Contractor to correct the deficiency within specified time frames. Should Contractor fail to correct deficiencies within said time frame, the County Project Director may:

11.2.1 Deduct from Contractor's future payment, pro rata, those applicable portions; and/or

11.2.2 Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is one hundred dollars (\$100) per day per infraction and that Contractor shall be liable to County for liquidated damage in the said amount. Said amount shall be deducted from County's payment to Contractor; and/or

11.2.3 Upon giving five (5) Business Days notice to Contractor for failure to correct the deficiencies, County may correct any and all deficiencies. The total costs incurred by County for completion of the Work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from County, as determined by County.

11.3 The action noted in Paragraph 11.2 shall not be construed as a penalty, but as an adjustment of payment to Contractor to recover County cost due to the failure of Contractor to complete or comply with the provisions of this Master Agreement.

11.4 This Section 11, Liquidated Damages, shall not, in any manner, restrict or limit County's right to damages for any breach of this Master Agreement provided by law or as specified in Paragraph 11.2, and shall not, in any manner, restrict or limit County's right to terminate this Master Agreement as agreed to herein.

12. NOTICES

All notices or demands required or permitted to be given or made under this Master Agreement, unless otherwise specified, shall be in writing and shall be addressed to the

parties at the following addresses and delivered: (a) by hand with signed receipt; (b) by first-class registered or certified mail, postage prepaid; (c) by facsimile or electronic mail transmission followed within twenty-four (24) hours by a confirmation copy mailed by first-class registered or certified mail, postage prepaid; or (d) by overnight commercial carrier, with signed receipt. Addresses may be changed by either party giving ten (10) calendar days prior notice in accordance with the procedures set forth above, to the other party.

13. ARM'S LENGTH NEGOTIATIONS

This Master Agreement is the product of an arm's length negotiation between Contractor and County. Each party has had at all times the opportunity to receive advice from independent counsel of its own choosing. Accordingly, this Master Agreement is to be interpreted fairly as between the parties, and not strictly construed as against either party as drafter or creator.

14. NO GUARANTY OF WORK

This Master Agreement is intended to provide County with DNA testing of various items of evidence on an “as-needed,” “intermittent,” basis. As such, the County does not promise, guaranty, or warrant that it will utilize any particular level of Contractor service or any service at all during the Term of this Master Agreement. EXHIBIT A

ADDITIONAL TERMS AND CONDITIONS

The following additional terms and conditions are applicable to, and form a part of, the Master Agreement. Capitalized terms not otherwise defined in this Exhibit A, Additional Terms and Conditions, (this "Exhibit") shall have the meanings given to such terms in Section 2.0, Definitions, of the Master Agreement.

1.0 SUBCONTRACTING

1.1 General

County has relied, in entering into the Master Agreement, on the reputation of and on obtaining the personal performance of Contractor itself. Consequently, no performance of the Master Agreement, or any portion thereof, shall be subcontracted by Contractor except in accordance with the procedures set forth in this Section 1.0, Subcontracting. Any attempt by Contractor to subcontract any performance, obligation, or responsibility under the Master Agreement, except in accordance with the procedures set forth in this Section 1.0, Subcontracting, shall be null and void and shall constitute a material breach of the Master Agreement, upon which County may immediately terminate the Master Agreement.

1.2 Procedure for Subcontracting

If Contractor desires to subcontract any portion of its performance, obligations, or responsibilities under the Master Agreement to any subcontractor, Contractor shall adhere to the following procedures.

- 1.2.1 Contractor shall notify the County Project Director of its desire to subcontract a portion of the Work, which notice shall include the reason for the proposed subcontract, and a description of the Work to be performed under the proposed subcontract.
- 1.2.2 The identity of such subcontractor and why such subcontractor was selected.
- 1.2.3 A certificate of insurance from the proposed subcontractor which establishes that the subcontractor maintains all the programs of insurance required by the Master Agreement.
- 1.2.4 If the proposed Work is to be performed by a subcontractor, then in addition to the foregoing, Contractor shall provide:

- i. A draft copy of the proposed subcontract. The material provisions of any approved subcontract between Contractor and a third party may be changed or amended, as applicable, only with the prior written approval of the County Project Director, which approval shall not be unreasonably withheld; and
- ii. Any other information and/or certifications reasonably requested by County.

The County Project Director will review Contractor's request to subcontract and determine, in his discretion, whether or not to consent to such request on an individual basis. Without limiting in any way County's prior approval rights, Contractor shall deliver to the County Project Director a fully executed copy of each subcontract entered into by Contractor pursuant to this Subparagraph 1.2.4, on or immediately after the effective date of the subcontract but in no event later than the date any Work is performed under the subcontract.

- 1.2.5 Contractor shall obtain an executed Exhibit E2, Contractor Non-Employee Acknowledgement and Confidentiality Agreement, of the Master Agreement, for each of subcontractor's employees performing Work under the subcontract. Such subcontracts shall be delivered to the County Project Director on or immediately before the effective date of the particular subcontract but in no event later than the date any such employee commences performing Work under the subcontract.

1.3 Contractor Responsibilities

- 1.3.1 Notwithstanding any County consent to any subcontracting, Contractor shall remain responsible for any and all performance required of it under the Master Agreement, including the obligation properly to supervise, coordinate, and perform, all Work required hereunder, and no subcontract shall bind or purport to bind County. Further, County approval of any subcontract shall not be construed to limit in any way Contractor's performance, obligations, or responsibilities, to County.
- 1.3.2 In the event that County consents to any subcontracting, such consent shall be subject to County's right to reject any and all subcontractor personnel providing services under such subcontract.
- 1.3.3 In the event that County consents to any subcontracting, Contractor shall cause the subcontractor, on behalf of itself, its successors and administrators, to assume and be bound by and shall be deemed to have assumed and agreed to be bound by each and all of the provisions of the Master Agreement and any executed Change Order or

Amendment hereto as it relates to or affects the Work performed by subcontractor hereunder.

- 1.3.4 Contractor shall be solely liable and responsible for any and all payments and other compensation to all subcontractors and their officers, employees, and agents. County shall have no liability or responsibility whatsoever for any payment or other compensation for any subcontractors or their officers, employees, and agents.

2.0 DISPUTE RESOLUTION PROCEDURE

2.1 General

Contractor and County agree to act immediately to resolve mutually any disputes that may arise with respect to the Master Agreement. All such disputes shall be subject to the provisions of this Section 2.0, Dispute Resolution Procedure (such provisions are collectively referred to as the "Dispute Resolution Procedures"). Time is of the essence in the resolution of disputes.

2.2 Continued Work

Contractor and County agree that, the existence and details of a dispute notwithstanding, both parties shall continue without delay their performance hereunder, except for any performance, other than payment by County for approved Work, which the parties mutually determine should be delayed as a result of such dispute.

- 2.2.1 If Contractor fails to continue without delay its performance hereunder that County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs which may be incurred by Contractor or County as a result of Contractor's failure to continue to so perform shall be borne by Contractor, and Contractor shall make no claim whatsoever against County for such costs. Contractor shall promptly reimburse County for such County costs, as determined by the County, or County may deduct or offset all such additional costs from any amounts due to Contractor from County.

- 2.2.2 If County fails to continue without delay to perform its responsibilities under the Master Agreement which County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs incurred by Contractor or County as a result of County's failure to continue to so perform shall be borne by County, and County shall make no claim whatsoever against Contractor for such costs. County shall promptly reimburse Contractor for all such additional Contractor costs subject to the approval of such costs by County.

2.3 Dispute Resolution Procedures

In the event of any dispute between the parties with respect to the Master Agreement, Contractor and County shall submit the matter as follows:

- 2.3.1 Contractor and County shall first submit the matter to the County Project Manager and Contractor Project Manager for the purpose of endeavoring to resolve such dispute.
- 2.3.2 If the County Project Manager and Contractor Project Manager are unable to resolve the dispute within a reasonable time, not to exceed five (5) Business Days from the date of submission of the dispute, then the matter immediately shall be submitted to the County Project Director and Contractor Project Director for further consideration and discussion to attempt to resolve the dispute.
- 2.3.3 If the County Project Director and Contractor Project Director are unable to resolve the dispute within a reasonable time not to exceed five (5) Business Days, then the matter shall be immediately submitted to Contractor's president or chief operating officer and the Sheriff. These persons shall have five (5) Business Days to attempt to resolve the dispute.
- 2.3.4 In the event that at these levels, there is not a resolution of the dispute acceptable to both parties, then each party may assert its other rights and remedies provided under the Master Agreement and its rights and remedies as provided by law.

2.4 Documentation of Dispute Resolution Procedures

All disputes utilizing the Dispute Resolution Procedure shall be documented in writing by each party and shall state the specifics of each alleged dispute and all actions taken. The parties shall act in good faith to resolve all disputes. At all three (3) levels described in Paragraph 2.3, Dispute Resolution Procedures, the efforts to resolve a dispute shall be undertaken by conference between the parties' respective representatives, either orally, by face-to-face meeting or by telephone, or in writing by exchange of correspondence.

2.5 Not Applicable to County's Right to Terminate

Notwithstanding any other provision of the Master Agreement, County's right to terminate the Master Agreement pursuant to Section 4.0, Termination for Insolvency; Section 5.0, Termination for Default; Section 6.0, Termination for Convenience; or Section 7.0, Termination for Improper Consideration, in each case, of this Exhibit, or any other termination provision under the Master Agreement, shall not be subject to the Dispute Resolution Procedure. The

preceding sentence is intended only as a clarification of County's rights, and shall not be deemed to impair any claims that Contractor may have against County or Contractor's rights to assert such claims after any such termination or such injunctive relief has been obtained.

3.0 CONFIDENTIALITY

3.1 General

- 3.1.1 Contractor shall maintain the confidentiality of all records and information, events or circumstances which occur during the course of Contractor's performance under the Master Agreement, in accordance with all applicable Federal, State, and local laws, rules, regulations, ordinances, guidelines, policies and procedures, and directives relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information.
- 3.1.2 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, examiners, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including, without limitation, defense costs and legal, accounting, and other expert, consulting, or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, examiners, and agents, or subcontractors, to comply with this Section 3.0, Confidentiality, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Section 3.0, Confidentiality, shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.
- 3.1.3 Contractor shall inform all of its directors, officers, shareholders, employees, examiners, and agents providing services hereunder of the confidentiality provisions of the Master Agreement. Contractor shall provide to County an executed Exhibit E1, Contractor's Employee Acknowledgment and Confidentiality Agreement, of the Master Agreement, for each of its employees and examiners performing Work under the Master Agreement. Notwithstanding anything herein to the

contrary, Contractor acknowledges and agrees that it is responsible for any breach of the obligations of confidentiality set forth herein by any person, or entity to which Contractor discloses such confidential information.

3.2 Disclosure of Information

3.2.1 With respect to any confidential information obtained by Contractor pursuant to the Master Agreement, Contractor shall: (a) not use any such records or information for any purpose whatsoever other than carrying out the express terms of the Master Agreement; (b) promptly transmit to County all requests for disclosure of any such records or information; (c) not disclose, except as otherwise specifically permitted by the Master Agreement, any such records or information to any person or organization other than County without County's prior written authorization that the records are, or information is, releasable; and (d) at the expiration or termination of the Master Agreement, return all such records and information to County or maintain such records and information according to the written procedures sent to Contractor by County for this purpose.

3.2.2 Without limiting the generality of Subparagraph 3.2.1 of this Exhibit, in the event Contractor receives any court or administrative agency order, service of process, or request by any person or entity (other than Contractor's professionals) for disclosure of any such details, Contractor shall immediately notify the County Project Director. Thereafter, Contractor shall comply with such order, process, or request only to the extent required by applicable law. Notwithstanding the preceding sentence, to the extent permitted by law, Contractor shall delay such compliance and cooperate with County to obtain relief from such obligations to disclose until County shall have been given a reasonable opportunity to obtain such relief.

3.3 Contractor Information

Any and all confidential or proprietary information which is developed or was originally acquired by Contractor outside the scope of the Master Agreement, which Contractor desires to use hereunder, and which Contractor considers to be proprietary or confidential, must be specifically identified by Contractor to the County Project Director as proprietary or confidential, and shall be plainly and prominently marked by Contractor as "proprietary" or "confidential". County shall undertake reasonably to maintain the confidentiality of materials marked by Contractor as "proprietary" or "confidential." Notwithstanding any other provision of the Master Agreement, County shall not be obligated in any way under the Master Agreement for:

- 3.3.1 Any of Contractor's proprietary and/or confidential materials not plainly and prominently marked with restrictive legends;
- 3.3.2 Any disclosure of any materials which County is required to make under the California Public Records Act or otherwise by law; and
- 3.3.3 Any materials indicating the volume, frequency and type of goods, and services provided by Contractor, including, but not limited to use under Section 24.0, Re-solicitation of Bids, Proposals, SOQs, or Information.

3.4 Use of County Name

In recognizing Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publishing its role under the Master Agreement within the following conditions:

- 3.4.1 Contractor shall develop all publicity material in a professional manner.
- 3.4.2 During the Term of the Master Agreement, Contractor shall not publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of County without the prior written consent of the County Project Director, which shall not be unreasonably withheld or delayed.
- 3.4.3 Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded the Master Agreement with County, provided that the requirements of Paragraph 3.4, Use of County Name, other than the requirements set forth in Subparagraph 3.4.2 shall apply.
- 3.4.4 Notwithstanding anything herein to the contrary, County reserves the right to object to any use of County's name and Contractor shall cure promptly and prospectively any use of County's name that has been objected to by County.

3.5 Injunctive Relief

Contractor acknowledges that a breach by Contractor of this Section 3.0, Confidentiality, may result in irreparable injury to County that may not be adequately compensated by monetary damages and that, in addition to County's other rights under the Master Agreement and at law and in equity, County shall have the right to injunctive relief to enforce the provisions of this Section 3.0, Confidentiality.

4.0 TERMINATION FOR INSOLVENCY

- 4.1 County may terminate the Master Agreement immediately at any time following the occurrence of any of the following:
- 4.1.1 Contractor has ceased to pay or has admitted in writing its inability to pay its debts for at least sixty (60) calendar days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the United States Bankruptcy Code and whether or not Contractor is insolvent within the meaning of the United States Bankruptcy Code, provided that Contractor shall not be deemed insolvent if it has ceased in the normal course of business to pay debts that Contractor disputes in good faith;
 - 4.1.2 The filing of a voluntary or involuntary petition (which involuntary petition is not dismissed within sixty (60) calendar days) regarding Contractor under the United States Bankruptcy Code;
 - 4.1.3 The appointment of a receiver or trustee for Contractor; or
 - 4.1.4 The execution by Contractor of a general assignment for the benefit of creditors other than in the course of arranging financial lines of credit.
- 4.2 The rights and remedies of County provided in this Section 4.0, Termination for Insolvency, shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Master Agreement.
- 4.3 Contractor agrees that if Contractor as a debtor-in-possession, or if a trustee in bankruptcy, rejects the Master Agreement, County may elect to retain its rights under the Master Agreement, as provided under Section 365(n) of the United States Bankruptcy Code (11 U.S.C. Section 365(n)). Upon written request by County to Contractor or the trustee in bankruptcy, as applicable, Contractor or such trustee shall allow County to exercise all of its rights and benefits under the Master Agreement. The foregoing shall survive the termination or expiration of the Master Agreement for any reason whatsoever.

5.0 TERMINATION FOR DEFAULT

- 5.1 County may, by written notice to Contractor, terminate the whole or any part of the Master Agreement, if, in the judgment of County's Project Director:
- Contractor has materially breached the Master Agreement; or
 - Contractor fails to timely provide and/or satisfactorily perform any service, or other Work required either under the Master Agreement, or any Work Order; or

- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under the Master Agreement, or of any obligations of the Master Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) Business Days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.
- 5.2 In the event that County terminates the Master Agreement in whole or in part as provided in Paragraph 5.1, County may procure, upon such terms and in such manner as County may deem appropriate, goods and services similar to those so terminated. Contractor shall be liable to County for any and all excess costs incurred by County, as determined by County, for such similar goods and services. Contractor shall continue the performance of the Master Agreement to the extent not terminated under the provisions of this Paragraph 5.2.
- 5.3 If, after County has given notice of termination under the provisions of this Section 5.0, Termination for Default, it is determined by County that Contractor was not in default under the provisions of this Section 5.0, Termination for Default, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Section 6.0, Termination for Convenience.
- 5.4 The rights and remedies of County provided in this Section 5.0, Termination for Default, shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Master Agreement.

6.0 TERMINATION FOR CONVENIENCE

6.1 Termination for Convenience

The Master Agreement, and any Work Order issued hereunder, may be terminated, in whole or in part from time to time, by County in its sole discretion for any reason. Termination of Work hereunder shall be effected by delivery to Contractor of a notice of termination specifying the extent to which performance of Work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than thirty (30) calendar days after notice.

6.2 No Prejudice; Sole Remedy

Nothing in this Section 6.0, Termination for Convenience, is deemed to prejudice any right of Contractor to make a claim against the County in accordance with the Master Agreement and applicable law and County procedures for payment for Work through the effective date of termination. Contractor, however, acknowledges that the rights and remedies set forth in this Paragraph 6.2, No Prejudice; Sole Remedy, shall be the only remedy available to Contractor in the

event of a termination or suspension pursuant to this Section 6.0, Termination for Convenience, by County.

7.0 TERMINATION FOR IMPROPER CONSIDERATION

- 7.1 County may, upon written notice to Contractor, immediately terminate the right of Contractor to proceed under the Master Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee, examiner, or agent with the intent of securing the Master Agreement or securing favorable treatment with respect to the award, amendment or extension of the Master Agreement or the making of any determinations with respect to Contractor's performance pursuant to the Master Agreement. debarment was imposed; or (4) any other reason that is in the best interests of County.

Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. 22.0 HIRING OF EMPLOYEES AND EXAMINERS

Contractor and County agree that, during the Term of the Master Agreement and for a period of one (1) year thereafter, except with the prior written consent of the other party, neither party shall in any way intentionally induce or solicit any Project Director, Project Manager, or other employee or examiner, of one party to become an employee, examiner, or agent of the other party. Notwithstanding the foregoing, County shall be entitled to make offers of employment to employees and/or examiners of Contractor necessary or desirable to perform Work described in the Master Agreement, in the event that: (a) County has the right to terminate the Master Agreement pursuant to Section 4.0, Termination for Insolvency, of this Exhibit; (b) the Master Agreement is terminated by County due to Contractor's default pursuant to Section 5.0, Termination for Default, of this Exhibit; (c) without resolution acceptable to both parties, Contractor and County have followed Paragraph 2.3, Dispute Resolution Procedures, of this Exhibit; or (d) Contractor either announces the withdrawal of support of, or otherwise no longer provides services County deems essential to, the ongoing support of the Work as applicable.

23.0 CONFLICT OF INTEREST

23.1 No County employee whose position with County enables such employee to influence the award of the Master Agreement or any competing agreement, and no spouse or economic dependent of such employee, shall be employed in any capacity by Contractor or have any other direct or indirect financial interest in the Master Agreement. No officer, employee, or examiner of Contractor, who may financially benefit from the performance of Work hereunder, shall in any way participate in County's approval, or ongoing evaluation, of such Work, or in any way attempt to unlawfully influence County's approval or ongoing evaluation of such Work.

23.2 Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the Term of the Master Agreement. Contractor warrants that it is not now aware of any facts that do or could create a conflict of interest. If Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Section 23.0, Conflict of Interest, shall be a material breach of the Master Agreement.

24.0 RESOLICITATION OF BIDS, PROPOSALS, SOQS, OR INFORMATION

24.1 Contractor acknowledges that, prior to the expiration or earlier termination of the Master Agreement, County, in its discretion, may exercise its right to invite bids, proposals, SOQs, or request information for the continued provision of the goods

and/or services delivered or contemplated under the Master Agreement. County shall make the determination to re-solicit bids, proposals, SOQs, or request information, in accordance with applicable County policies.

24.2 Contractor acknowledges that County, in its discretion, may enter into an agreement for the future provision of goods and/or services, based upon the bids, proposals, SOQs, or information received, with a provider or providers other than Contractor. Further, Contractor acknowledges that it obtains no greater right to be selected through any future invitation for bids, proposals, SOQs, or request for information, by virtue of its present status as Contractor.

25.0 TERMINATION FOR NON-ADHERENCE TO COUNTY LOBBYIST ORDINANCE

Contractor and each County Lobbyist or County Lobbying Firm as defined in Los Angeles County Code Section 2.160.010 retained by Contractor, shall fully comply with the County Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of Contractor or any County Lobbyist or County Lobbying Firm retained by Contractor to fully comply with County Lobbyist Ordinance shall constitute a material breach of the Master Agreement upon which County may immediately terminate or suspend the Master Agreement.

26.0 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

Should Contractor require additional or replacement employees/examiners after the effective date of the Master Agreement, Contractor shall give consideration for any such employment openings to participants in County's Department of Public Social Services' Greater Avenues for Independence (in this Section, "GAIN") or General Relief Opportunity for Work (in this Section, "GROW") programs who meet Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that Contractor will interview qualified candidates. County will refer GAIN participants by job category to Contractor. In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first opportunity.

27.0 EMPLOYEE/EXAMINER PERFORMANCE WHILE UNDER THE INFLUENCE

Subject to all applicable laws and regulations, Contractor shall use reasonable efforts to ensure that no employee or examiner will perform services hereunder while under the influence of any alcoholic beverage, medication, narcotic, or other substance, which might reasonably, or have been observed to, impair such person's physical or mental performance.

28.0 CONTRACTOR PERFORMANCE DURING CIVIL UNREST

Contractor recognizes that County provides services essential to the residents of the communities it serves, and that these services are of particular importance at the time of

a riot, insurrection, civil unrest, natural disaster, or similar event. Notwithstanding any other provision of this Exhibit or the Master Agreement, full performance by Contractor during any riot, insurrection, civil unrest, natural disaster, or similar event is not excused if such performance remains physically possible without related danger to Contractor's employees, examiners, or suppliers. During any such event in which the health or safety of any of Contractor's employees and examiners would be endangered by performing their services on-site, such employees and examiners may perform any or all of their services remotely. Failure to comply with this requirement shall be considered a material breach of the Master Agreement by Contractor, for which County may immediately terminate the Master Agreement.

29.0 CONTRACTOR'S ACKNOWLEDGMENT OF COUNTY'S COMMITMENT TO CHILD SUPPORT ENFORCEMENT

29.1 Contractor acknowledges that County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's "L. A.'s Most Wanted: Delinquent Parents" poster in a prominent position at Contractor's place of business. County's Child Support Services Department (CSSD) will supply Contractor with the poster to be used.

29.2 The CSSD will maintain and periodically update the "L.A.'s Most Wanted: Delinquent Parents" list on the Internet. The list may be televised before and after Board meetings.

30.0 CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

30.1 Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through County agreements are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

30.2 As required by County's Child Support Compliance Program (Los Angeles County Code, Chapter 2.200) and without limiting Contractor's duty under the Master Agreement to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the Term of the Master Agreement maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 U.S.C. Section 653a) and California Unemployment Insurance Code Section 1088.55, and shall implement all lawfully served Wage and Earnings Withholding Orders or County's CSSD Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to California Code of Civil Procedure Section 706.031 and California Family Code Section 5246(b).

- 30.3 Failure of Contractor to maintain compliance with the requirements set forth in this Section 30.0, Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute a default under the Master Agreement. Without limiting the rights and remedies available to County under any other provision of the Master Agreement, failure of Contractor to cure such default within ninety (90) days of written notice shall be grounds upon which County may terminate the Master Agreement pursuant to Section 5.0, Termination for Default, and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

31.0 RECYCLED-CONTENT PAPER

Consistent with the Board's policy to reduce the amount of solid waste deposited at County landfills, Contractor agrees to use recycled-content paper to the maximum extent possible in Contractor's provision of Work pursuant to the Master Agreement.

32.0 COMPLIANCE WITH JURY SERVICE PROGRAM

32.1 Jury Service Program

The Master Agreement is subject to the provisions of County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit G, Jury Service Ordinance, of the Master Agreement, and incorporated by reference into and made a part of the Master Agreement.

32.2 Written Employee Jury Service Policy

32.2.1 Unless Contractor has demonstrated to County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the Los Angeles County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the Los Angeles County Code), Contractor shall have and adhere to a written policy that provides that its employees and examiners shall receive from Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that employees and examiners deposit any fees received for such jury service with Contractor or that Contractor deduct from the employees' and/or examiners' regular pay the fees received for jury service.

32.2.2 For purposes of this Section 32.0, Compliance with Jury Service Program, "Contractor" means a person, partnership, corporation or other entity which has an agreement with County or a subcontracted agreement with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or

more County agreement or subcontracted agreement. "Employee" means any California resident who is a full-time employee or examiner of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: (a) the lesser number is a recognized industry standard as determined by County, or (b) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees and examiners providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for County under the Master Agreement, the subcontractor shall also be subject to the provisions of this Section 32.0, Compliance with Jury Service Program. The provisions of this Section 32.0, Compliance with Jury Service Program, shall be inserted into any such subcontracted agreement and a copy of the Jury Service Program shall be attached to the Master Agreement.

32.2.3 If Contractor is not required to comply with the Jury Service Program when the Master Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during the Term and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" or that Contractor continues to qualify for an exception to the Jury Service Program.

32.2.4 Contractor's violation of this Section 32.0, Compliance with Jury Service Program, of this Exhibit, may constitute a material breach of the Master Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Master Agreement or bar Contractor from the award of future County agreements for a period of time consistent with the seriousness of the breach.

33.0 BACKGROUND AND SECURITY INVESTIGATIONS

33.1 Each of Contractor's employees and Contractor's examiners performing services under this Master Agreement shall undergo and pass a background check. If Contractor is located in a state other than California, Contractor shall provide to County documentation of background clearance.

- 33.2 Should Contractor's employees and Contractor's examiners not undergo a background check in their state of employment, then each of Contractor's employees and Contractor's examiners performing services under this Master Agreement, who is in a designated sensitive position, as determined by County in County's sole discretion, shall undergo and pass a background investigation to the satisfaction of County as a condition of beginning and continuing to perform services under this Master Agreement. Such background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State, local, and federal level reviews, which may include, but shall not be limited to, criminal conviction information. The fees associated with the background investigation shall be at the expense of the Contractor, regardless if the member of Contractor's employees and/or Contractor's examiners passes or fails the background investigation.
- 33.3 Should any of Contractor's employees and/or Contractor's examiners not pass the background investigation, County may request that the member(s) be immediately removed from performing services under the Master Agreement at any time during the Term of the Master Agreement. County will not provide to Contractor, or to Contractor's employees or Contractor's examiners, any information obtained through the County's background investigation.
- 33.4 County, in its sole discretion, may immediately deny or terminate facility access to any Contractor employee or Contractor examiner that does not pass such investigation to the satisfaction of the County or whose background or conduct is incompatible with County facility access.
- 33.5 Disqualification of any of Contractor's employees or Contractor's examiners pursuant to this Section 33.0, Background and Security Investigations, shall not relieve Contractor of its obligation to complete all Work in accordance with the terms and conditions of the Master Agreement.

34.0 ACCESS TO COUNTY FACILITIES

Contractor, its employees, examiners, and agents will be granted access to County facilities, subject to Contractor's prior notification to and approval by the County Project Director or County Project Manager or their designee, for the purpose of executing Contractor's obligations hereunder. Contractor shall have no tenancy, or any other property or other rights in County facilities. While present at County facilities, Contractor's employees and examiners shall be accompanied by County personnel at all times, unless this requirement is waived in writing prior to such event by the County Project Director.

35.0 DAMAGE TO COUNTY FACILITIES, BUILDINGS, OR GROUNDS

- 35.1 Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees, examiners, or agents of Contractor. Such repairs shall be made promptly after Contractor has become aware of such damage, but in no event later than thirty (30) calendar days after the occurrence.
- 35.2 If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand, or without limitation of all County's other rights and remedies provided at law or equity, or under the Master Agreement, County may deduct such costs from any amounts due to Contractor from County under the Master Agreement.

36.0 FEDERAL EARNED INCOME TAX CREDIT

Contractor shall notify its employees and examiners that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015. Copies of the Notice can be obtained by calling 1-800-829-3676 or from the IRS website at www.irs.gov.

37.0 ASSIGNMENT BY CONTRACTOR

- 37.1 Contractor shall not assign its rights or delegate its duties under the Master Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Paragraph 37.1, County consent shall require a written amendment to the Master Agreement, which is formally approved and executed by the parties, and which may be executed by the Sheriff, on behalf of the County with the written concurrence of County Counsel. Any payments by County to any approved delegate or assignee on any claim under the Master Agreement shall be deductible, at County's discretion, against claims which Contractor may have against County.
- 37.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person, corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Master Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with Paragraph 37.1 of this Section 37.0, Assignment by Contractor.

- 37.3 Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Master Agreement which may result in the termination of the Master Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

38.0 INDEPENDENT CONTRACTOR STATUS

- 38.1 The Master Agreement is by and between County and Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, examiner, partnership, joint venture, or association, as between County and Contractor. The employees, examiners, and agents of one party shall not be, or be construed to be, the employees, examiners, or agents of the other party for any purpose whatsoever. Contractor shall function as, and in all respects is, an independent Contractor.
- 38.2 Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing Work pursuant to the Master Agreement all compensation and benefits. County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any employee or examiner provided by or on behalf of Contractor.
- 38.3 Contractor understands and agrees that all persons performing Work pursuant to the Master Agreement are, for purposes of workers' compensation liability, the sole employees/examiners of Contractor and not employees of County. County shall have no obligation to furnish, or liability for, workers' compensation benefits to any person as a result of any injuries arising from or connected with any Work performed by or on behalf of Contractor pursuant to the Master Agreement.
- 38.4 Contractor shall adhere to the provisions stated in Section 3.0, Confidentiality, of this Exhibit.

39.0 RECORDS AND AUDITS

- 39.1 Contractor shall maintain accurate and complete financial records of its activities and operations relating to the Master Agreement, including any termination hereof, in accordance with generally accepted accounting principles. Contractor shall also maintain accurate and complete employment and other records relating to its performance of the Master Agreement. Contractor agrees that County, or its authorized representatives, shall, with reasonable notice and during regular business hours, have access to and the right to examine, audit,

excerpt, copy, or transcribe any pertinent transaction, activity, or records of Contractor relating to the Master Agreement. Should the examination and audit be performed by a non-County entity or should a non-County entity be requested by County to review information received pursuant to an audit or examination under this Section 39.0, Records and Audits, of this Exhibit. Contractor may require the non-County examiner or auditor, as the case may be, to execute a nondisclosure contract prior to any disclosure. The nondisclosure contract shall limit the non-County entity's use of information received or reviewed in connection with the examination and audit to work performed specifically for the benefit of County. All such material, including all financial records, bank statements, cancelled checks, or other proof of payment, timecards, sign-in/sign-out sheets, and other time and employment records, shall be kept and maintained by Contractor and shall be made available to County during the Term of the Master Agreement and for a period of five (5) years thereafter unless County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then at Contractor's option, Contractor shall either (a) provide County with access to such material at a mutually agreed upon location inside Los Angeles County, or (b) pay County for travel, per diem, and other costs and expenses incurred by County to examine, audit, excerpt, copy, or transcribe such material at such outside location.

- 39.2 If an audit is conducted of Contractor specifically regarding the Master Agreement by any Federal or State auditor, or by an auditor or accountant employed by Contractor or otherwise, then Contractor shall file a copy of such audit report with County's Auditor Controller and the County Project Director within thirty (30) calendar days of Contractor's receipt thereof, unless otherwise provided by applicable federal or state law or under the Master Agreement.
- 39.3 If, at any time during or after the Term of the Master Agreement, representatives of County conduct an audit of Contractor, as and to the extent permitted hereunder, regarding the Work performed under the Master Agreement, the results of such audit, including any final determination in respect of an underpayment or overpayment, if any by County under the Master Agreement, shall be provided in writing to Contractor. Contractor shall have thirty (30) calendar days to review the findings contained in such audit and notify County of any objection to the same. Such notice must include, in reasonable detail, the basis for Contractor's objection and any supporting documentation and analysis for Contractor's objection. If the parties cannot agree, within fifteen (15) calendar days of receipt of Contractor's objection to the findings contained in County's audit, on the amount of underpayment or overpayment, if any, by County to Contractor hereunder, then either party may submit such matter to the Dispute Resolution Procedure, provided such matter shall be submitted initially, directly to the County Project Director and the Contractor Project Director. If Contractor

fails to notify County of any objection it has to the findings of County's audit within the thirty (30) calendar day period set forth above, Contractor waives any right to object to the findings of such audit, including any determination of overpayment by County. If such audit, whether initially following a waiver by Contractor of its right of objection or upon final determination pursuant to the Dispute Resolution Procedure, finds that County's dollar liability for any such Work is less than payments made by County to Contractor, then the difference, together with County's reasonable costs of audit, shall be either repaid by Contractor to County by cash payment upon demand or, at the discretion of the County Project Director, deducted from any amounts due to Contractor from County. If such audit finds that County's dollar liability for such Work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County, but in no event shall County's payments to Contractor exceed the Maximum Agreement Sum.

39.4 Failure on the part of Contractor to comply with any of the provisions of Section 39.0, Records and Audits, of this Exhibit, shall constitute a material breach upon which County may terminate or suspend the Master Agreement.

40.0 LICENSES, PERMITS, REGISTRATIONS, ACCREDITATIONS, AND CERTIFICATIONS

Contractor shall obtain, and maintain in effect during the Term of the Master Agreement, all licenses, permits, registrations, accreditations, and certifications required by all Federal, State, and local laws, ordinances, rules, and regulations, which are applicable to Contractor's services under the Master Agreement. Contractor shall further ensure that all of its officers, employees, examiners, and/or agents who perform services hereunder, shall obtain and maintain in effect during the Term of the Master Agreement all licenses, permits, registrations, accreditations, and certifications which are applicable to their performance hereunder. If, and to the extent requested by County, Contractor shall provide copy of each such license, permit, registration, accreditation, and certificate, in duplicate, to:

Los Angeles County Sheriff's Department
Contracts Unit, Room 214
Attn: Contracts Manager
4700 Ramona Boulevard
Monterey Park, CA 91754

41.0 NO THIRD PARTY BENEFICIARIES

Notwithstanding any other provision of the Master Agreement, Contractor and County do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of the Master Agreement, except that this Section 41.0, No Third Party Beneficiaries, of this Exhibit, shall not be construed to diminish Contractor's indemnification obligations hereunder.

42.0 MOST FAVORED PUBLIC ENTITY

If Contractor's prices decline, or should Contractor, at any time during the Term of the Master Agreement, provide the same goods and/or substantially similar services under similar quantity, delivery, and other applicable terms and conditions to the State of California or any county, municipality, public agency, or district within California at prices below those set forth in the Master Agreement, then such lower prices shall be extended immediately to County.

43.0 COUNTY'S QUALITY ASSURANCE PLAN

County or its agent will evaluate Contractor's performance under the Master Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with the terms and conditions and performance standards of the Master Agreement. Contractor deficiencies which County determines are severe or continuing and that may place performance of the Master Agreement in jeopardy if not corrected will be reported to the Board. The report will include improvement and corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate the Master Agreement or impose other penalties as specified in the Master Agreement.

44.0 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should Contractor require additional or replacement employees or examiners after the effective date of the Master Agreement to perform the services set forth herein, Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of the Master Agreement.

45.0 CONTRACTOR TO NOTIFY COUNTY WHEN IT HAS REACHED 75% OF MAXIMUM AGREEMENT SUM

If applicable, Contractor shall maintain a system of record keeping that will allow Contractor to determine when it has incurred seventy-five percent (75%) of the Maximum Agreement Sum. Upon occurrence of this event, Contractor shall send written notification to the County Project Director and the County Project Manager.

46.0 NO PAYMENT FOR SERVICES PROVIDED FOLLOWING EXPIRATION OR TERMINATION OF MASTER AGREEMENT

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor under the Master Agreement, after the expiration or other termination of the Master Agreement. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for

services rendered after expiration or termination of the Master Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of the Master Agreement.

47.0 SAFELY SURRENDERED BABY LAW

47.1 Notice to Employees/Examiners

Contractor shall notify and provide to its employees and examiners and shall require each subcontractor performing Work under the Master Agreement to notify and provide to its employees and examiners a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit F, Safely Surrendered Baby Law, of the Master Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

47.2 Contractor's Acknowledgement of County's Commitment to the Safely Surrendered Baby Law

Contractor acknowledges that County places a high priority on the implementation of the Safely Surrendered Baby Law. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's "Safely Surrendered Baby Law" poster in a prominent position at Contractor's place of business. Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. County's Department of Children and Family Services will supply Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.baby.safela.org.

48.0 PROHIBITION AGAINST INDUCEMENT OR PERSUASION

Contractor and County agree that, during the term of the Master Agreement and for a period of one (1) year thereafter, neither party shall in any way intentionally induce or persuade any employee or examiner of one party to become an employee, examiner, or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

49.0 PUBLIC RECORDS ACT

49.1 Any documents submitted by Contractor; all information obtained in connection with County's right to audit and inspect Contractor's documents, books, and accounting records, pursuant to Section 39.0, Records and Audits, of this Exhibit; as well as those documents which were required to be submitted in response to the Request for Statement of Qualifications (RFSQ) used in the solicitation process for the Master Agreement, become the exclusive property of County. All such documents become a matter of public record and shall be regarded as

public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "Trade," "Secret," "Confidential," or "Proprietary." County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

- 49.2 In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a bid/proposal/SOQ marked "Trade Secret," "Confidential," or "Proprietary," Contractor agrees to defend and indemnify County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

50.0 TRANSITIONAL JOB OPPORTUNITIES PREFERENCE PROGRAM (if applicable)

- 50.1 The Master Agreement is subject to the provisions of the County's ordinance entitled Transitional Job Opportunities Preference Program, as codified in Chapter 2.205 of the Los Angeles County Code.
- 50.2 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Transitional Job Opportunity vendor.
- 50.3 Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Transitional Job Opportunity vendor.
- 50.4 If Contractor has obtained County certification as a Transitional Job Opportunity vendor by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded the Master Agreement to which it would not otherwise have been entitled, shall:
1. Pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;
 2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than ten percent (10%) of the amount of the contract; and

3. Be subjected to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any entity that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the certifying department of this information prior to responding to a solicitation or accepting a Master Agreement award.

51.0 WAIVER

No waiver by County of any breach of any provision of the Master Agreement shall constitute a waiver of any other breach or of such provision. Failure of County to enforce at any time, or from time to time, any provision of the Master Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in the Master Agreement shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Master Agreement.

52.0 GOVERNING LAW, JURISDICTION, AND VENUE

The Master Agreement shall be governed by, and construed in accordance with, the substantive and procedural laws of the State of California applicable to contracts made and to be performed within that state. Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California (except with respect to claims that are subject to exclusive Federal subject matter jurisdiction, as to which Contractor agrees and consents to the exclusive jurisdiction of the United States District Court of the Central District of California) for all purposes regarding the Master Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the Central District of the Superior Court for the County of Los Angeles, California.

53.0 SEVERABILITY

If any provision of the Master Agreement is adjudged void or invalid for any reason whatsoever, but would be valid if part of the wording thereof were deleted or changed, then such provision shall apply with such modifications as may be necessary to make it valid and effective. In the event that one or more of the provisions of the Master Agreement is found to be invalid, illegal, or unenforceable in any respect, such provision shall be deleted here from and the validity, legality, and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby, unless the Master Agreement fails of its essential purpose because of such deletion.

54.0 RIGHTS AND REMEDIES

The rights and remedies of County provided in any given Section, as well as throughout the Master Agreement, including throughout this Exhibit, are non-exclusive and cumulative with any and all other rights and remedies under the Master Agreement, at law, or in equity.

55.0 NON EXCLUSIVITY

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with the Contractor. The Master Agreement shall not restrict County or the Department from acquiring similar, equal or like goods and/or services from other entities or sources.

56.0 FACSIMILE

Except for the parties initial signatures to the Master Agreement, which must be provided in "original" form, and not by facsimile, County and Contractor hereby agree to regard facsimile representations of original signatures of authorized officials of each party, when appearing in appropriate places on change notices or in other correspondence, notices, etc. requiring signatures, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed thereto, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

57.0 LOCAL SMALL BUSINESS ENTERPRISE (SBE) PREFERENCE PROGRAM

- 57.1 The Master Agreement is subject to the provisions of the County's ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.
- 57.2 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.
- 57.3 Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.
- 57.4 If Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its

request for certification, and which by reason of such certification has been awarded the Master Agreement to which it would not otherwise have been entitled, shall:

1. Pay to County any difference between the Master Agreement amount and what County's costs would have been if the contract had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than ten percent (10%) of the amount of the contract; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the state and Internal Services Department of this information prior to responding to a solicitation or accepting a Master Agreement award.

58.0 LOCAL SMALL BUSINESS ENTERPRISE (SBE) PROMPT PAYMENT PROGRAM

Certified Local SBEs will receive prompt payment for services they provide to County departments. Prompt payment is defined as fifteen (15) calendar days after receipt of an undisputed invoice.

59.0 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of the Master Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of the Master Agreement during any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for the Master Agreement in County's Budget for each such future fiscal year. In the event that funds are not appropriated for the Master Agreement, then the Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor in writing of any such non-allocation of funds at the earliest possible date.

60.0 WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

- 60.1 Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through Master Agreements are current in paying their property tax obligations (secured and

unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

- 60.2 Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of the Master Agreement will maintain compliance, with Los Angeles County Code Chapter 2.206, which is attached as Exhibit H, Defaulted Property Tax Reduction Program Ordinance, of the Master Agreement.

61.0 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Section 60.0, Warranty of Compliance with County's Defaulted Property Tax Reduction Program, of this Exhibit, shall constitute default under the Master Agreement. Without limiting the rights and remedies available to County under any other provision of the Master Agreement, failure of Contractor to cure such default within ten (10) calendar days of notice shall be grounds upon which County may terminate the Master Agreement and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

Page 1 of 3

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)
